

Horse Wheel

-DESCRIPTION:

Player places coin or ticket on a number of the choice (between 1 and 10). The wheel is spun and if the player's number comes up the player wins the corresponding amount of coins.

-HOW TO SET UP GAME

Hang Wheel from the top red 2 x 3 on the side of the booth.

Tape the paper "lay-down" which is numbered 1 through 10 on the 9" counter on the front of the booth.

-HOW TO PLAY

- 1) The player places a coin or ticket on the number "lay-down"
- 2) Once all the players have their coins down, the operator spins the wheel
The more people who play at a time the higher the profit.
- 3) A player wins when the wheel stops on the number they picked.

-Materials and or Items you need to supply for this game:

Tape to secure the paper lay down in the counter.

-Pay outs

Each number on the wheel has 8 levels of win (1 through 8).

The operator pays the player who wins, the amount of coins or tickets indicated by the corresponding odds on the wheel.
