

PEG TOSS

-GAME DESCRIPTION:

Player tosses plastic rings on wooden pegs on a board

-HOW TO SET UP GAME

- 1) Carefully unfold legs from under playing board and lock into position.
- 2) Place unit approx. 5 feet from front of booth. If using just one game set it up in the center of booth. If using two games, set them about 2 feet from the sides.

-HOW TO PLAY

The player gets 10 rings and tosses them one at a time trying to ring the pegs on the board. There are four levels of winning with this game. A Red peg (most difficult). A Blue peg (second most difficult). White peg (third most difficult), and an unpainted peg (easiest)
